

Membership

Having taken the Basic Biblical Life Coaching Course **now you will be qualified** to become a member of Dream Mentors International. We do not recognize you as a member of Dream Mentors until you become a member and are placed in our Dream Mentors Data Base. Our database enables us to match you up with clients that may need biblical life coaches at the basic level.

You also must become a member of Dream Mentors if you desire to move into the 30 hour Advanced Transformational Life Coaching Course. We will not admit anyone into our 30 hour Advanced Transformational Life Coaching Course unless you are a member. Membership means that you are under the covering of DM International to do Biblical and Transformational Life Coaching and that you abide by the DM Ethical Standards of Conduct. As a member you agree to keep your certification current and attend 8 hours of Continuing education credits to continue to be recognized by DM as a certified biblical coach.

The cost for the Dream Mentors Basic Biblical Life Coaching course (DMBL 101) is \$0. This course is free of charge and God's blessing to you!

To become a member of Dream Mentors, the cost for membership is \$100 per year. The membership will expire December 31 of each year. Your membership payment of \$100 will keep you current until December 31, 2010.

The cost for the 30 hour Advanced Transformational Life Coaching Course is \$250. This can be payable in increments and if you have given a love offering to DM since June 1, 2009 and if you so desire, we will apply this offering to your 30 hour Advanced Transformational Life Coaching Course fee.

After completion of the 30 hour Advanced Transformational Life Coaching Course you will be considered to be an Advanced DM Life Coach, Professional DM Life Coach or a Master DM Life Coach. This depends on your prior educational experience and life experience, which will be evaluated based on your DM Application.

All of our courses are designed to meet ICF credentialing requirements for Approved Coach Specific Training Hours (ACSTH) course work. However, at this time **we have not applied for approval.** If you desire to be ICF credentialed please notify Coach Candice, as you need to have one private mentoring hour attached to your 30 hours in order for this course to be qualified by ICF on your credentialing application. This private mentoring session will be given for an additional love offering due to Coach Candice's time constraints. If you are not interested in ICF credentials than you will have successfully completed this course once you pass all DMBL 101 course requirements.

If you do not desire to use this course for ICF credentialing, you will be asked to sign a release on the Final DM Application that says you decline to use this course, DMBL 101, for ICF credentialing.
